

15 YEARS WARRANTY*

opulent

The **Brazilian Walnut** is the most durable hardwood in our collection, **branded as one of the finest timbers in the world.**

Brazilian Walnut is known for its blends of chocolate brown and nearly black hues that mix to form an exotic and rich dark brown. An impressive hardwood, popular amongst architects and designers, for its exceptionally fine graining, superior hardness and natural dark colouration. The Brazilian Walnut is a perfect choice to bathe your home in timeless beauty and style.

FEATURES

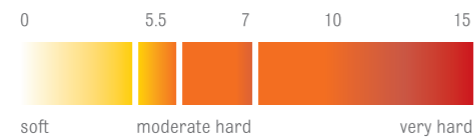

- Kiln dried
